

Construction Update: Jan. 20-26, 2020 As of Friday, Jan. 17, 2020

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

CONTINUING: Crews are scheduled to complete work on the shoulder of southbound I-25 by **Tuesday, Jan. 21**. During this work southbound I-25 has the left lane closed and is reduced to one lane from south of University Ave. to south of Wells Street/Geothermal Drive.

Scheduled through about **Monday, Feb. 3, 2020**, crews will construct a bridge pier. During this work, northbound I-25 will have the left lane closed and will be reduced to one lane from about 500 feet north of I-25/University Bridge to about 1,000 feet south of the Bridge.

Lasting through **Tuesday, Jan. 21**, crews will remove medians and pave detours (weather permitting) for construction on University Avenue between Triviz Drive and the northbound I-25 on-ramp. **The left lane on University will be closed in each direction (east and west) during this work.**

NOTE: University Avenue will be open for the first day of classes for spring 2020 at New Mexico State University, but there may be lane switches later in the week.

MOTORISTS SHOULD USE AN ALTERNATE ROUTE OR EXPECT DELAYS, PARTICULARLY DURING MORNING AND AFTERNOON RUSH HOURS.

Regular work hours are **Monday-Friday 7 a.m.-5 p.m.** Hours for some activities such as paving will be **8:30 a.m.-4 p.m.**
