

Construction Update: **Feb. 10-16, 2020** As of Friday, Feb. 7, 2020

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

NEW: Work will begin on the northbound I-25 on-ramp from westbound University Avenue this week. This part of the work is expected to last through about **February 28, 2020**. Both lanes of I-25 will be open at the ramp, with work taking place on the shoulder just north of westbound University Avenue.

CONTINUING: Scheduled to be completed by **Friday, Friday, Feb. 21, 2020**, crews will finish a bridge pier in the median on I-25. During this work, **northbound I-25 has the left lane closed and is reduced to one lane from about 500 feet north of the I-25/University Bridge to about 1,000 feet south of the Bridge. Northbound I-25 will reopen to two lanes after this work is completed.**

Southbound I-25: Two lanes of traffic are open. Traffic south of University Avenue has been shifted about six feet to the left to allow additional room for construction of the new southbound on-ramp.

University Avenue: Two lanes are open in each direction (eastbound and westbound), but the westbound lanes have been shifted to the south near I-25 to allow additional room for crews to work on bridge construction.

MOTORISTS SHOULD USE AN ALTERNATE ROUTE OR EXPECT DELAYS, PARTICULARLY DURING MORNING AND AFTERNOON RUSH HOURS.

Regular work hours are **Monday-Friday 7 a.m.-5 p.m.**, however **crews may also work this Saturday, Feb. 8, 2020**. Hours for some activities such as paving will be **8:30 a.m.-4 p.m.**
