I-25/UNIVERSITY AVE. PROJECT
Improving Safety and Traffic Flow

Construction Update: Free Right-hand Turn from Southbound I-25 Off-Ramp to University Ave. to be Permanently Closed April 16, 2020

Motorists will be able to access University Ave. at Traffic Light

NOTE: All work is scheduled weather permitting, and is subject to change without notice.

As of **7 a.m.** on **Thursday, April 16, 2020**, **the free righthand turn lane from the southbound I-25 off-ramp to westbound University Avenue will be PERMANENTLY CLOSED** so that crews can build the new Pan American Bridge.

Drivers on the ramp will be detoured in the left lane to head straight to University Avenue to make the right turn.

Drivers will have access to University Avenue at the traffic signal at the intersection of the ramp and University Avenue.

The new configuration for the I-25 University Avenue Project does not include a free right-hand turn for the I-25 southbound off-ramp because the ramp will actually go under the new Pan American Bridge to the south roundabout.

Drivers using the southbound I-25 off-ramp should exercise caution and expect delays.

Regular work hours are Monday-Friday 7 a.m.- 5 p.m.

Questions, Concerns: Visit www.i25-university.com or www.nmroads.com
