

ATTEND OUR VIRTUAL PUBLIC MEETING

Broadcasting on the Las Cruces Channel (Comcast/Xfinity Channel 98) and on Facebook

Thursday, July 2, 2020 • 6 p.m.

La Calerita and the NMDOT invite you to attend and participate in our virtual public meeting for the I-25 University Avenue Project. At this meeting, you'll get an update on what is planned for July, anticipated traffic impacts, and what has been accomplished so far. You'll also be able to ask questions through our project Facebook page or the Las Cruces Channel's Facebook page.

We recognize that you are being impacted as the project moves forward and want to hear from you! Please submit your questions, comments or suggestions anytime through our project website, www.i25-university.com, and follow us on Facebook or Twitter.

We appreciate your patience during construction and encourage you to use extra caution when traveling in the area of I-25 and University, watch for construction signs and obey lower posted speed limits.

If you have not already done so, you can sign up for free construction updates on our website.

Make plans to attend our public meeting on July 2!
We hope you'll tune in.
