

Construction Update: September 6-12, 2021 As of Friday, September 3, 2021

NOTE: All work is scheduled weather permitting and is subject to change without notice.

ONGOING: The right lane of northbound I-25 is closed between the northbound I-25 off-ramp and the northbound I-25 loop ramp for several weeks for reconstruction. The left lane of I-25 will remain open. **Motorists traveling in this area should expect delays.**

Traffic on University has been shifted to the south. Crews are installing landscaping in the median (center area) of University Ave between the northbound I-25 on-ramp and S Triviz Dr.

There will be occasional lane closures on both eastbound and westbound University Ave for ongoing work, but **at least one lane of traffic will remain open in each direction.**

There will also be occasional lane closures on northbound and southbound I-25 for ongoing construction, but **at least one lane of traffic will be open in each direction.**

The I-25 loop ramp is open to eastbound traffic on University Ave and is the only way eastbound traffic can access northbound I-25. Westbound traffic on University Ave will continue to access northbound I-25 from the ramp at the traffic signal.

Access from University Ave to the southbound I-25 on-ramp is through the Triviz/University intersection and the new south roundabout. Detour signage is in place.

Regular work hours are **Monday-Friday, 7 a.m.-5 p.m.**, although crews may work longer hours or on Saturdays as needed. **Crews will not be working on Monday, Sept. 6, in observance of the Labor Day holiday, but barricades will remain in place for safety.**

Questions, Concerns: Visit www.i25-university.com or www.nmroads.com or contact Patti Watson – pattiw@cwastrategic.com; 505-269-9691 cell.
